

## Progress Photographs

Meridian Parent Partnership Program

Date: 5-10-2017

Permits were issued on May 3 and the Notice to Proceed was sent the same day.

Site work started on May 9, 2017.

The geotechnical engineer approved all excavations.

Top soil is stocked on site for landscape grading.

The concrete foundation contractor is scheduled next Wednesday.

The sixth and final building foundation excavation was completed on May 10.
