INSTRUCTIONAL MATERIALS SCREENING FORM

Board Policy No 2020 requires that all core instructional materials be approved by an Instructional Materials Committee. For the purposes of our Alternative Learning Experience program, we ask that the instructor (on-site class) or parent (off-site class) complete this form and submit it to their SLPC. Forms are reviewed by the MP3 Instructional Materials Committee for approval.

Please **check** whether the text “Meets standard” or is “Not Acceptable” for each potential bias. For example, a math text can show bias through chosen examples, story problems, or pictures which exclude ethnicities, nationalities, etc.
