

## **CLASS OF 2020 RESOURCES**

We are working to put together information to help our seniors both with finishing this spring and in preparation for what each senior is doing after high school.

If you have resources to share or need information that is not on here, please email your counselor and we will work to add resources to this site.

Information is provided in the following categories

- MHS Spring 2020 Info
- College Info
- Financial Aid Info
- Scholarships
- Career / Job Info

### **HSBP and Graduation Pathway**

To graduate it is still required that you have completed your High School and Beyond Plan and have met your Graduation Pathway requirements. Some students may be eligible to have their Graduation Pathway waived.

Expedited Assessment Appeals (EAA) Waiver: It is required that the student, through one of the options below, show that they have attained the skills and knowledge to meet the high school standards and possess the skills necessary to successfully achieve college or career goals established in their HSBP.

- Admission to a higher education institution or career preparation program
- Award of a scholarship for higher education
- Enlist in a branch of the military

Please contact your counselor if you are interested in knowing more about the EAA waiver.

## ENGLISH

Students who have applied to WCC, who have a Student ID Number and access to their [MyWCC](#) student portal can still do the [Informed Self Placement for English here](#).

Students who are having trouble accessing the ISP for English, or who would prefer to work directly with me for English Placement, can use the attached document titled [English Placement Guidance for student](#).

- This document provides descriptions of each English Course offered
- Students will simply choose a class and email me ([cgreen@whatcom.edu](mailto:cgreen@whatcom.edu)) with that choice and I will enter their placement choice manually

## MATH

Because we can no longer host on-campus proctored Math Placement Tests at this time, [students can work directly with me to select](#) a Math Placement.

- The philosophy right now is to simplify the process for students, and to provide them with the autonomy to make a good choice.
  - § Students who have applied to WCC, who have a Student ID Number and access to their [MyWCC](#) student portal may want to take a *PRACTICE* ALEKS Math Placement Test *independently from home* for their own understanding of their math abilities, and how they align with WCC math courses.
  - § Students can also use the attached document titled [Math Placement via Transcripts All High Schools](#) to see what course their most recent grade in their most recent math class places them into.
  - § Students can also use the attached document titled [Math Course Descriptions](#) to get a sense of what each math class at WCC entails, and make a decision based on that information.
- With one/a combination of the three measure above, students must simply email me ([cgreen@whatcom.edu](mailto:cgreen@whatcom.edu)) with their Math Placement choice and I will enter their placement manually
- If students are unsure about what course would be the best fit for them, I can help them use the tools attached to make a strong choice. We can connect via EMAIL, PHONE, or ZOOM

## FINANCIAL AID

The FAFSA opens Oct. 1 each year. Fill it out as soon as possible. We will have a FAFSA help night each fall.
