

There are several ways that we support our students at Meridian High School. Here are a few:

T3 (Trojan Tutorial Time):

Time is allocated during the school day for students to get some extra support in their classes

TLC (Trojan Learning Center):

2 hours after school for extra support in classes

Athletics/clubs:

We will offer as many of the sports teams and clubs as we are able. In the past we have had the following:

Sports: Cross country, football, soccer, volleyball, basketball, bowling, wrestling, baseball, softball, golf, and track.

Clubs: Chamber choir, cheerleading, chess, drama, dungeons and dragons, gaming, FFA, honor society, pride alliance, jazz ensemble, mock trial, robotics, trojan café', and powerlifting

Google Guardian:

Online access to Go Guardian allows parents to monitor their students Chromebooks use

Teacher availability:

Teachers are available both before and after school on a regular basis to support students

A fantastic way for you to support your student is to check your email on a regular basis and to monitor your students grades in Skyward. Please contact the school if you are unsure of how to login to Skyward.
