

Academic Acceleration Opt Out Form

Students will not be able to move out of the accelerated class so if you want to opt out in either English and/or math you need to turn your form into the office by Thursday, March 31st

MERIDIAN SCHOOL DISTRICT ACADEMIC ACCELERATION POLICY

High school students need to have greater access to rigorous advanced courses, including dual credit programs.

To that end, the district will automatically enroll students who meet the state standard on the high school statewide student assessment in the next most rigorous level of advanced courses offered by the high school.

Students who successfully complete the advanced courses will then be enrolled in the next most rigorous level of advanced courses, with the ultimate goal being the student's automatic enrollment in dual credit courses.

The subject matter of courses in which students are automatically enrolled will be determined by the areas of the statewide assessment in which the student met state standards.

Students and the parent/guardian do still have the opportunity to opt out of participation in the academic acceleration process in one or all content areas that are assessed on the statewide exams.
